---

It is expressly agreed that all use of the Washington Park Tennis Courts, Washington Park Tennis Facility, and the property on which Washington Park Tennis Center operates shall be undertaken by the Participant or Participant's Guest at his or her sole risk, and that Universal Tennis Management (UTM) shall not be liable for any injuries or any damages to Participant or Guest or to property, of Participant or Guest or be subject to any claim, demand, injury, or damage whatsoever, including, without limitation, those damages, resulting from acts of active or passive negligence on the part of UTM, its officers, or its Participants or Guests. The Participant and Guest forever releases and discharges UTM, its owners, employees, successors from all claims, demands, injuries, damages, actions, or cause of action. UTM shall not be responsible for liability to the Participant or Guest for articles damaged, lost, or stolen in or about the Facility or for losses or damages to any property, including but not limited to automobiles and the contents thereof.

I understand that Washington Park Tennis Center (WPTC), Universal Tennis Management (UTM), and its staff members are not responsible for any accidents and/or medical or dental expenses incurred as a result of participating in WPTC/UTM activities. It is understood and agreed upon that all health or accident insurance claims are the responsibility of the participant and will be covered by the participant's insurance.

I have been advised (posted Notice of Exemption and Exemption Approval Letter) and understand that this program meets the criteria for exemption from licensure in Rule 591-1-1-.46(b) 7 with Bright from the Start (GA Department of Early Care and Learning). UTM carries liability insurance.

Acknowledgement of Photo Waiver: UTM may take and use photographs, video, film, and images of my child participating in or observing the activities. I waive any right or privacy, publicity, compensation, copyright, or other rights to those images and I consent to UTM using those images.
